

# Shimmer 4

## *Philosophy*

This piece incorporates a playful balance of Swarovski crystals and glitter fabric inlaid in the brown corners. There is a unique combination between the frames' geometry and lines, which plays and adds a dimension that is only enhanced by the crystals and glitter. This deeper square shape and the geometric faceting on the edges complement each wearer's facial features.

## *Size*

A 53 / B 39 / ED 54 / DBL 14 / TMPL 140

## *Colors*
