

Shimmer 23

AVAILABLE MID SEPTEMBER

Philosophy

What a cool way to put a modern spin on luxury, with oversize Austrian crystals up front and center. Situated on a super comfortable, thin-profile-milled metal frame, the look is rockstar-ready. The crystalized aurora borealis stones glisten with a multi-colored reflection that cues off the metal color.

Size

A 51 | B 39 | ED 55 | DBL 16 | TMPL 140
