

THAT'S DIFFERENT

 VTO AVAILABLE

PHILOSOPHY

Maybe it's the beautiful three-section colorway of the eyerim, maybe it is the way the frame plays with weight and thickness throughout, but whenever you see this style, you'll think that's different. The upswept eye adds a wry touch to this style, making it perfect for a witty, confident swearer.

MINNESOTA LINGO

There is a pause between the first and second word and it's a polite way for a Minnesotan to call something strange.
