

# CROSSTOWN

## PHILOSOPHY

A new and innovative twist on a metal frame contains exquisite details that evoke fashion and exude personality. The hand painted detail at the top of the eye rim commands a second look when a fan of yours notices the attention to detail on your favorite frame. The unique square shape is an exploration and adds animation. This style is taken to the next level with the added element of a clip.

## SIZE

A 48 | B 41 | ED 49 | DBL 21 | TMPL 140
