Philosophy

Classic round metal frames are right on-trend and for the Red Rose collection, we wanted to make it more modern with the streamlined profiles and modern architectural construction of the temple and endpiece design. This shape looks great on many faces and it's a great way to change up a look and bring it forward. We appreciate the subtle approach to distinction with the hand-painted eye rim in dual toned colors, giving it a rich finished detail.

Size

A 49 | B 40 | ED 50 | DBL 18 | TMPL 140
