

Shimmer 12

 VTO AVAILABLE

Philosophy

Sheer elegance abounds as the double and triple laminated handmade acetates reveal expressive angles and upsweep in the eye shape. The casted jeweled hinge and temple cap creates a symphony of sizzle and spark with the beautiful Austrian crystals. We love the fit of the Petite sizing and the attention to detail as you feel the comfort of the hand polished frame gliding on your face. It's exciting to see the power of the Shimmer Capsule to captivate and engage a loyal following.
