

HERITAGE

Philosophy

The combination of acetate and titanium in a perfectly rendered eye shape, makes this an everyday winner from the work week to the weekend. You will be in style every time with commanding attention to detail. You witness incredible craftsmanship as you admire the coined pattern on the temples and the burnished metal finishes. The made in Japan feel and quality stand out.

Size

A 49 | B 42 | ED 55 | DBL 19 | TMPL 140
