## MINNESOTA LINGO

Paul Bunyan, a giant lumberjack who is customarily accompanied by his friend Babe the Blue Ox, is a folk hero originating in the oral tradition of North American loggers. Minnesotans grow up learning that Paul Bunyan and Babe created the 10,000 lakes with their massive footprints, so it's no wonder that three of four disputed birth places are in Minnesota: Bemidji, Akeley, and Brainerd. Each Minnesota birthplace boasts their own giant statues along with different parks and attractions with a Bunyan and Babe theme.
