

## FARFALLA

 VTO AVAILABLE**Philosophy**

Farfalla in Italian means butterfly and what better way to spread your wings than wearing this beauty. The combination of sheer acetate and the thin profile metal outlines the creative shape that is very wearable. When you try the frame on, you can see how great it looks and it is still quite subtle—even with its more assertive styling. This is fashion that will look original and fresh for many years to come. The Red Rose collection masters the art of illusion, layering and transparency in design.
