

SERAPHIN®

SPRING 2022 CATALOG

BASSETT

 VTO AVAILABLE

Philosophy

Smooth and luxurious to the touch, the Bassett has the feel of fine craftsmanship and attention to detail. The temple core wire with its stamped-coined pattern, features the signature Seraphin Fleur-de-lis mark. This unique layered design upholds the fine tradition and touch of handmade eyewear. We love this super wearable modified square shape and the custom acetate color combinations that makes this a modern classic.

BAYARD

 VTO AVAILABLE

Philosophy

Feel the rich polishing on the edges of the temple and see the mark of fine craftsmanship with the custom metal hinge and end-piece. There is nothing like the made-in-Japan quality. We especially love the beautiful Mazzucchelli acetates that combine amazing colors together with understated elegance. All this together with a very refined round eye shape and a modern thin profile definitely takes vintage to a new level.

CLIFTON

 VTO AVAILABLE

Philosophy

Experience the layers of rich elegance as the sheer materials reveal the craftsmanship and level of design mastery. The custom temple corewire has the Fleur de Lis pattern stamped in the metal to emulate the coined detail on a vintage frame. The hand laminated tortoise section at the brow grounds the sheer acetates in a way that celebrates the modern trend of transparency, with a nod toward layered expression.

Size

Features

- Custom metal core wire with stamped Fleur de Lis pattern
- Modified upswept P3 shape
- OBE ISS Locking Screws
- Keyhole bridge

Materials

- Premium hand laminated acetates

DANFORTH

Philosophy

Danforth is the sibling of the Stauder with its much loved metal-acetate combination construction. This is sure to be a winner this season in your shop. The perfect harmony of the two materials blending together to form the curve of the bridge and the flow of the eye-rim is a seamless dance and interplay of artistry. The Mazzucchelli handmade acetates arrive in an assortment of incredible colors in gradient and solids that demonstrate the commanding eye of Italian artisanship, the way they conceive these beautiful colors for the frames.

DRESDEN

 VTO AVAILABLE

Philosophy

Behind faces of artists who create great music or actors who play in pivotal roles, we are reminded of the cool factor that a nice oversize pair of acetate frames imbues on the scene. We wanted to take this magic and bring it up to date with a new shape and colors that take the Dresden to a place where accolades will follow and fans will fawn. This will be your favorite frame that keeps them looking, for all the right reasons.

FAIRVIEW

 VTO AVAILABLE

Philosophy

We took a best-selling shape and gave it a kick with the slight upsweep at the outer edges. The shape amplifies your optimism and shows the world you mean business as a tastemaker. The hand-made acetates layer the various colors together in seamless harmony. We especially love the Rose Plum color that illuminates the artisan quality of the Italian sourced LAES acetate. This will be your favorite everyday frame with the attention to style and detail that radiates.

Size

GREGORY

Philosophy

Revel in the elegant detailing of the custom hinge and temple end cap combination that dresses the style up with a tasteful touch. This is a shape that fits many faces and the inspired selection of rich acetates demonstrates the mastery of the artist's eye that combines the colors together in an incredible interplay. Feel the superior quality of the workmanship as you glide your hand over the material and feel the frames expertly polished edges offer a fit and feel like no other eyewear out there. These frames are so classy and so comfortable you'll never want to take them off.

HALL

 VTO AVAILABLE

Philosophy

The thinner acetate profiles are quite popular and we know why that is for sure. The light-weight construction creates comfort that is unsurpassed. We use the most modern cutting techniques to create this lightness, but ensure extreme strength and durability. We know you will want to keep this style in your wardrobe for some time because you are an early adapter. The timeless elegance of the design will resonate, especially with the refined detailing of the custom end-piece and hinge design in metal that is cast to work seamlessly with the acetate sculpting.

Size

HARTFORD

 VTO AVAILABLE

Philosophy

The elegance and attention to detail confirms the timelessness and refinement of the design. Nearly every component is customized, from the stamped coined edge eye-rim to the same treatment on the bridge and temples that feature a fresh take on the signature Seraphin Fleur de Lis emblem. The eye-shape is a marvel of balance and simplicity as the acetate and metal plays harmoniously together. We especially love the made-in-Japan quality and the superior hand of the product.

HARTFORD GRAND

 VTO AVAILABLE

Philosophy

A quintessential vintage vibe, the Hartford Grand goes one size up from the Hartford. It opens up the fit options with the expanded sizing. The custom eye-rim and temples are stamped with a unique coined pattern incorporating the Fleur de Lis design. The extra headspace afforded by the curved end-piece makes this an incredibly comfortable fitting frame for a roomier fit patient with an average to small PD measurement.

HAGUE

Philosophy

We expanded on our best selling shape themes with an easy-to-wear round shape that is a bit roomier, but keeps the “B” measurement in check. The result is a style that looks great on so many faces and the profile is uplifting and flattering. The soft keyhole bridge design is not too assertive, but hints at trends without being trendy. The elegant metal detail on the temple adds texture and interest to the surface and calls out the attention to detailing through subtle gestures. Experience the refinements of a perfect shape, paired with hand made acetates that exude good taste.

Size

A 50 | B 40 | ED 52 | DBL 16 | TMPL 145

HAZELTON

 VTO AVAILABLE

Philosophy

When being tastefully flashy and romantic with your eyewear is the goal, Hazleton is just the right measure of style and visual appeal. We especially love the hand-laminated colors in the brow-line and the temples which demonstrates focused craftsmanship and adventurous design. The pops of rich milky colors ground the tortoise materials and add a lively and original twist. The upswept shape brings it all home and harmoniously ties the gestures together. It's a perfect play on classic materials and shapes, paired with new colors to brighten things up a bit.

HOLLYWOOD

 VTO AVAILABLE

Philosophy

What a perfect name for a shape that is so timeless and glamorous. There is nothing like a cat shape, drawn with meticulous insight, creating curves that put you in front of the crowd as a shining standout in an ode to old Hollywood. We were inspired by vintage shapes but went ahead and thinned down the front and top profiles to modernize the direction. The metal décor and endpieces seamlessly flow into the hinge, creating hardware that is the mark of fine craftsmanship, like timeless accessories. The varied color assortment means there is a look for every personality.

H O O V E R

Philosophy

See the branded mark of distinction and refinement as the metal temples are stamped with the original Seraphin Fleur de Lis pattern and vintage diamond shapes. These add a rich texture and coined effect to the touch. This combined with the hand-polished block acetate front, in rich layers of color, reflects an elegant mastery of color technique and design. The round eye shape looks smart on many faces. The fit and feel is sublime with the perfectly subtle keyhole bridge and the metal endpieces tying the two materials together in harmony.

HOWELL

 VTO AVAILABLE

Philosophy

When you want to update your patient and impart class and refinement, the Howell is your go-to. The nylon semi-rimless construction is lightweight and compliments the face. The custom coined pattern on the bridge gives that extra detailing for the discerning individuals. Wear this style with confidence because you will look spot on at any occasion—from casual weekender to dressed up professional. The two toned finishes impart a rich vocabulary of colors.

Size

- NVYSIL - Navy/Silver

Features

- OBE Injection Safety Screw
- Adjustable Nose Pads

Materials

- Premium metal
- Premium acetate

JANALYN

 VTO AVAILABLE

Philosophy

Square shapes are all the rage this season, as are thinner profile acetates. The Janalyn with the combination of a metal temple and endpiece, flowing into the handmade acetate front, embraces what is new, but delivers it with timeless refinement. We love how comfortable the meticulously polished edges and perfectly balanced weight of the materials assures superior comfort and wearability. Go ahead, look your best.

JONQUIL

 VTO AVAILABLE

Philosophy

The made-in-Japan quality is a standout with extreme attention to detail. We especially like the mix of antique colors in complementary hues that update the vintage inspired styling. The coined detail adds a timeless texture to the temple.

Size

A 48 | B 43 | ED 49 | DBL 19 | TMPL 145

Colors

- 8047 - Black/Antique Gold
- 8597 - Navy/Silver
- 8013 - Olive/Gunmetal - Spring 2022 Color Add

Features

- OBE Injection Safety Screws
- Adjustable nose pads

Materials

- Titanium

KILARNEY

Philosophy

When you want to make a statement but look understated, Killarney is just that style. The European sourced components and acetates are hand selected and polished for the ultimate expression of craftsmanship. We appreciate the quiet upsweep at the corner of the brow that keeps things classy, but still a bit sassy. A custom cast metal hinge pairs seamlessly with the beautiful color palette.

Size

A 52 | B 42 | ED 53 | DBL 16 | TMPL 140

- 8734 - Dusk Crystal
- 8040 - Red Gold Tortoise - Spring 2022 Color Add

Features

- OBE ISS locking screw
- Saddle bridge
- 3 barrel hinge

Materials

- Handmade premium acetate

LANTANA

 VTO AVAILABLE

Philosophy

The Lantana's sister, the Darcy, is such a beauty. we wanted to stretch the width and reduce the B measurement to make a roomier fit for those superstars with even bigger smiles. Every detail is attended to, from the custom temple core wire with a custom coined edge pattern to the geometric edges adding personality and flair to the style. We cut the acetate a bit flatter with less beveling to give a fashion forward face. People will definitely stop you and ask where you got your glasses. Looking sharp and illuminating your personality is going to be your "M. O." this season.

Size

LOCH

 VTO AVAILABLE

Philosophy

When you want to look right everyday and demand style and comfort combined, look no further. The Loch is the perfect shape that fits and feels like a trusted friend. The selection of hand-made acetates gives you color choices to get it exactly right. We wanted materials that felt new and like something you don't see on every frame. The uniqueness of pattern and the layers and mix of colors, definitely defines the originality of this model. The hinges and metal hardware imbues the style with a sense of craftsmanship and custom detailing.

Size

MAYBURY

 VTO AVAILABLE

Philosophy

It's sibling, the Danbury paved the way for this second iteration of the shape, but one size bigger. Now more faces can sport this look and the expanded color choices mean there are even more possibilities abounding. All the qualities that made its sibling, the Danbury, such a success in the family are bestowed on the Maybury. It has the same luxurious hand to the material and the custom hardware defines its elegant mission. This style is definitely going to be a winner.

STAUDER

 VTO AVAILABLE

Philosophy

An incredibly unique piece, this frame pulls from the spirit and feel of vintage and updates it in a modern, innovative way. The subtle combination between the metal bridge and the acetate is a contemporary approach that gestures to vintage love. There is a harmonious integration between the keyhole, metal bridge that seamlessly blends into acetate, creating an innovative style rarely seen in eyewear. The acetate portion of the frame's layers color and sheer to provide a gradient texture.

WARWICK

Philosophy

The Warwick by Seraphin has been cut, shaped, and polished by hand with the most exacting standards in the optical industry. This timeless model is made from premium acetate in ageless fades and two-tone color options. Its signature Seraphin silver hinge and working rivets invoke classic—but vogue—styling. The keyhole bridge, popular among scholars and fashion aficionados alike, is a smart addition. Seraphin's unforgettable fleur-de-lis emblem, embossed into the tips of steel-core temples, complete this staple pair.
