

# CARMINE STREET

 VTO AVAILABLE

## Philosophy

Carmine Street with its vibrant multiple identities, situated in the heart of Greenwich Village, which is known as the East Coast epicenter of the original Beatnik movement. To pay homage to this rich history of community and expression, we thought it was fitting to create a style that is equally as vibrant and kinetic. We love the black and wide thread color that gives an artisan touch to the pattern and evokes the premium nature of the hand made acetates. The romantic upsweep of the eye shape drives your personality home.
