

BOSSOLI GRAND

 VTO AVAILABLE

Philosophy

An important part of a serious collection, is that there is a wide offering of sizes to make the collection very productive at the dispensary. With this in mind we took the Bossili, a best selling style, and amped up the sizing for a roomier, more generous fit, in a 58mm eye size. This is a very welcome addition to the Red Rose assortment. The light weight comfort, the superior durability of the flexible stainless steel temple and the precision cut acetate front, all add up to your new favorite style.
