

# Shimmer 8

 VTO AVAILABLE

## Philosophy

Sleek, modern and high fashion is the cue for the Shimmer 8. We wanted to take stones and make them look different in a novel setting. We did just that with a new technique of placing cut crystals in abundant clusters in a solid resin setting. The Shimmer 8 creates a new code for luxury, one that is playful, youthful, fashion forward and definitely not classic, but still as fine jewelry with its artisan flair that is totally timeless.
