

ALLEN SUN

 VTO AVAILABLE

Philosophy

When you're headed the north - south direction in Manhattan, you'll be walking through Chinatown to the lower east side perhaps, or hailing a cab to get to your destination. One thing you'll know when you arrive is that your Allen Sun readers are with you offering full UV sun protection and optical grade reading clarity when you're out in the light. We love the stylish shape with the vintage inspired keyhole bridge detailing and the premium European sourced components.
