

Falcon

Philosophy

These roomy, comfy frames are designed for inclusivity. The hardware, metal cap at the front is a rich detailing element that is inspired by artistry. A fashion-forward, artistically crafted piece of hardware with handmade plastic provides a superior fit and feel. The metal elements are accentuated by the rich colors that are brought forward, blending perfectly with the subtle, modern execution of the fleur-de-lis, which is nestled on the temple tip.

Size

A 54 / B 37 / ED 60 / DBL 19 / TMPL 150
