Philosophy

We took a best-selling shape and gave it a kick with the slight upsweep at the outer edges. The shape amplifies your optimism and shows the world you mean business as a tastemaker. The hand-made acetates layer the various colors together in seamless harmony. We especially love the Rose Plum color that illuminates the artisan quality of the Italian sourced LAES acetate. This will be your favorite everyday frame with the attention to style and detail that radiates.

Size

A 53 | B 39 | ED 54 | DBL 17 | TMPL 142
