Ogi Kids / 2020

Prepare for a major cuteness overload. The new Ogi Kids collection captures the spirit of life's simplest moments, crafted into each detail of our frames. Innocence is reborn within every piece of this line, like the funky OK337 that calls upon the explorer in all of us. Any dreamer of far far aways will fall in love with the OK343 and its dazzling pasteled beauty.

So take some time to slow down, blow some bubbles, and roll around with your favorite furry friends. The perfect pair is just around the corner with the Ogi Kids 2020 collection.
