

FIDENZA

 VTO AVAILABLE
**Philosophy**

Combination styles of plastic and metal are all the rage this season. People want to look fresh and original and metals combined with transparent acetates are staking their place in the consciousness of the style starters. Notice how we're a bit rebellious with the shape, adding a curve to the shape reminiscent of an aviator lens, but much less severe and way more flattering. You wanted an edgier look that still look fantastic on the face, look no further.

Size

A 51 | B 45 | ED 52 | DBL 20 | TMPL 135

Colors

- BLSH - BLUSH
