

# ARPINO

 VTO AVAILABLE

## Philosophy

Aviators remain popular, season after season and appear in so many collections. That made it even more challenging to take a tried and true icon and make it look fresh and new. We did just that by twisting things up, making it an optical style. The interesting teardrop shape gives it that edgy influencer appeal with the thin profile construction and the hottest on-trend colors. You truly will be going places in this look.
